

THANK YOU

FOR PLANTING TREES

Shaftesbury Junior School

This is to certify that your school has planted 175 trees
by taking part in JUST ONE Tree Day 2025-2026.

During the next rainy season, your seedlings will be transported to their carefully selected new homes where they will be planted and nurtured over the coming years, removing approximately 53.9 tonnes of carbon dioxide from the atmosphere over the next 25 years.

With your contribution we will be able to help global reforestation efforts clean the air we breathe, clean the water we drink, increase biodiversity, protect against deforestation, improve livelihoods and most importantly combat climate change.
