

Year 6 Homework

History and Science Homework

Choose one piece of homework each week. Be as creative and as imaginative as you can. You can upload it onto Seesaw or bring it in

Use the Internet to create a fact file about any aircraft that flew in WW2-e.g. Spitfire, Lancaster, Messerschmitt.

Make a 3D diagram of the heart and label it.

Make a simple game about healthy living e.g. Snap, Uno, Snakes and Ladders or Top Trumps.

Research and play outdoor games which would have been played in the 1940s.

Research the Allies and the Axis Powers from WW2, THEN draw the flag of at least 6 countries of your choice.

Find out about Anderson shelters. Draw one/make your own model!

Create a healthy meal- write a list of ingredients needed. Draw your meal- could you actually MAKE it? (with permission and help from parents/carers!)

Write a quiz about the circulatory system with 20 questions- and the answers!

Design a gas mask box; you will need to make a net for a cube or cuboid and construct.
