

Autumn 1 - Homework grid - Earth and Space

Choose one activity a week from the grid below. Bring your tasks to school by
Wednesday each week

<p>1. Complete a character study of Neil Armstrong or any other famous astronaut/ cosmonaut.</p>	<p>2. Create a new mnemonic that will help others in the class remember the names of the planets and their order from the sun.</p>	<p>3. Use scrap paper, foil, sweet wrappers and other junk around the house to create your own space collage.</p>
<p>4. Write newspaper report about the first moon landing.</p> 	<p>5. Keep a sky at night journal for a whole week. Write about everything you can see in the sky. You could draw a picture of the moon every night. Does it change over the course of the week?</p>	<p>6. Find out facts about the space missions - What was the first creature sent into space? Who was the first astronaut? Who was the first man on the moon? What other interesting facts can you find?</p>
<p>7. You are going on a spaceship and can only take 10 things with you. What will you take? Either write or draw them in your suitcase.</p>	<p>8. Make an acrostic poem for one of the planets e.g. M A R S</p>	<p>9. Find out how far the Earth is from the Sun and then multiply it by 10. What method will you use?</p>
<p>10. Design a new uniform for an astronaut landing on Mars, what features will it need to have?</p> 	<p>11. Create a travel brochure for the Moon.</p> 	<p>Remember to practise your spellings and multiplication!</p>
