

# Year 3 Stone Age and Iron Age Homework

This term your homework is linked to our Stone Age, Bronze Age and Iron Age (Pre-historic Britain) topic and we hope you will enjoy completing the activities.

Complete 1 activity each week. **Homework to be handed in every Wednesday**

## Stone age recipe

Stone age people could not pop to the shops for food. Everything they ate had to be caught or collected.

Write your own recipe for a stone age dinner using the sort of ingredients that would be available to them.

## Stone age maths

Stone age people did not understand numbers as we do. Archaeologists have found these markings in cave that they think might be stone age counting.

Can you come up with your own method of counting? You might want to choose symbols to mean certain amounts.

Will you count in sets of 10 or will your counting system work in another way?

## Cave Art

Make up your own story, it can be about anything you like but tell it through cave art pictures!

## The Big Project

Research an aspect of pre-historic Britain; the Stone Age, Bronze Age or Iron Age and use what you find out to create a full project.

You can present this in any way you wish.

This can count as a whole term's homework so really work your hardest and become your class expert.

## Time travellers

Imagine that you have been whisked back in time to Pre-historic Britain.

You have been allowed to take one person or one object from 2020. What or who would you take and how would you explain your choice?

Explain your choice!

## Cave homes

During the Stone Age, people lived in caves. If you had to live in a cave what would you like it to look like and what would be in it?

Be as creative and imaginative as you like!

Maybe you could build your own 3D cave to bring in!

# Year 3 Rocks and Soils Homework

This term your homework is linked to our Science (Rocks and Soils) topic and we hope you will enjoy completing the activities.

Complete 1 activity each week. Homework to be handed in every Wednesday

## Rock Collection

Look in your local area and collect different types of rock. ...

## Art

Find a rock and paint it to turn it into a piece of art.

## English/History

Find out more about the life and work of Mary Anning. Think about how you can present this.

## Art

Make a collage out of rocks. You could arrange the rocks on the ground to make a picture and photograph to bring into school. If you are feeling adventurous you could glue different rocks to a piece of wood to make a rock collage.

## English

Write an acrostic poem about Fossils:

F  
O  
S  
S  
Etc.

## Science

Find 5 things in the home that are made from rock.

## English

Write a diary entry about going on a journey and discovering a fossil.
