

Shaftesbury Junior School

'We care, we share, for the future we prepare'

Leicester
City Council

Wednesday 10th July 2019

Dear parents & carers,

Once again, we are really pleased with the hard work and effort from our pupils this year.

Below are the school's results compared to the national results for 2019. These are the best results we have had since the new tests were brought in in 2016. Progress measures will not be announced until later in the year by the DfE but initial indicators show that these have increased too, particularly in Mathematics.

% pupils achieving the expected standard									
Combined R, W & M		Reading		Writing		Maths		Grammar, punctuation & spelling	
55	65	63	73	67	78	80	79	70	78
(57)		(66)		(69)		(83)		(72)	

Shaded columns represent national figures for 2019 and brackets show figures once pupils who have been in the country for less than 2 years have been taken out.

I would like to thank all pupils, parents and staff who have made this possible. I wish everyone all the best as they start their secondary career.

Yours faithfully,

Karl Stewart
Headteacher
