

7 Years – for Y6 2026

Once I was seven years old, Mr Page told me,
Go make myself some friends, I wasn't lonely.
Once I was seven years old

It was a big big school, but we knew we'd get bigger,
Pushing each other to the limits, we were learning quicker.
By seven, we were independent, we were getting better,
Never giving up, so we could all succeed forever.

Once I was seven years old, Mrs Stabik told me,
"Go try your very hardest and be-lieve"
Once I was seven years old.

We always had that dream, like Mrs Justesen taught me,
So I started learning maths, I started writing stories,
Something about that learning, just always seemed to thrill me,
'Cause only those who've grown with me, will ever really know me.

Once I was eight years old, Mrs Kanji taught me
Before the algebra, when life was easy,
Once I was eight years old.

Mrs Gosia told me, "I don't believe in failure,"
'Cause I know the smallest voices, they can make it major,
I got my friends with me, some good and some are greater
If we don't meet before I leave, I hope I'll see you later.

Once I was ten years old, Mr Shaffi taught me
With Mrs Sweeney, and they showed me how to beeee,
Once I was ten years old.

Soon we'll be twelve years old, our dreams will unfold
We'll settle into school, and we're still growing
Soon we'll be twelve years old.

I'm still learning about life
Shaftesbury gave learning to me,
So I can sing you all my songs
And I can tell you stories.
Most of my friends move with me
Some to Castle, some to Fullhurst
And those I have to leave behind,
My friends, and I'm so sorry

Soon I'll be twelve years old, my friends are everyone
Remember this and then our life becomes a better one,
We made our teachers happy when we got our SATs results,
I hope that we can come and visit once or twice a month

Soon I'll be twelve years old, will I think the world is cold
Or will I have a lot of good friends who can warm me?
Soon I'll be 12 years old.

Soon I'll be 12 years old, will I think the world is cold
Or will I have a lot of good friends who can warm me?
Soon I'll be 12 years old.

Once I was ten years old, Mrs Patel then told me,
Go make yourself some friends I wasn't lonely.
Once I was ten years old.

Once we were ten years old.
