RECORD HOLDER

On the 15th of October, Shaftesbury Junior School along with many other school around the country took part in a world record attempt by attending the **Largest Hand Hygiene Lesson (multiple venue)**, organised by the Germ's Journey team at De Montfort University.

On Thursday we found out that... We broke the world record! Across the country 4,492 people joined the lesson, beating the previous record by 468 pupils.

WE'RE WORLD RECORD HOLDERS!

We are incredibly proud of the pupils who took part and the staff for gathering the evidence. A big thank you to De Montfort University and the Germ's Journey team for organising the world record attempt.

*Celebrate your child's participation in a **GUINNESS WORLD RECORDS** attempt! IT'S OFFICIAL, they were a part of the **Largest Hand Hygiene Lesson (multiple venue)**. To say "Well Done!" and create a lasting memory of their record-breaking adventure, we've secured **40% off the certificates**. Use code **KIDS8GERMS** at checkout.*

The A5 certificates are perfect for hanging at home, can be personalised with their name and photo, and you can even buy a frame for it!

To purchase, visit the following link [Certificate of Participation](#). Use code **KIDS8GERMS** at checkout.

We have purchased an official certificate for school and all participants will be getting an unofficial certificate from DMU and school. Thank you to Mrs Justesen for leading on this fantastic opportunity that will be remembered for the rest of their lives. As part of this, 4 Y6 children were interviewed by the BBC and have already been on the radio this morning. Well done!

YEAR 6 BEAUMANOR HALL TRIP

Pupils in Year 6 were taken back in time to Second World War Britain on Wednesday, as they visited Beaumanor Hall. They have been studying Britain during WWII all term and got to experience aspects of what life was like over 80 years ago. They were given the opportunities to apply their classroom learning in the contexts of: rationing, evacuation, code-breaking and a bombing raid.

Fortunately, there were no real bombs deployed, only Father Christmas who popped into their air-raid shelter to wish them a Merry Christmas! A wonderful day to cap off their History unit studied this term.

Your School Nursing Service

Once your child turns 5, the school nurses will take over the care of your child from your health visitor.

The school nurses are responsible for looking after the health of your children whilst they are in school, from 5-19 years of age.

When your child is in reception and year 6, your child will be offered a growth measurement as part of the National Child Measurement Programme.

To speak to a school nurse call:

0300 300 3001*

*9am - 4.30pm on weekdays, excluding bank holidays

These are some of the things the school nurse can support you and your child with:
