SPACE CENTRE TRIP

Some of our Year 6 children had the exciting opportunity to visit the National Space Centre to attend the Royal Aeronautical Society's outreach programme. The event was aimed at providing a fascinating insight into the world of space for the next generation. Pupils received insightful talks from professionals who are working in the Space industry and were able to programme and code their own rovers, see real life samples of meteorites and used satellites to map the Earth!

HELP EARN FREE BOOKS

Scholastic is one of the largest providers of free books to schools via our Reward scheme which helps to ensure that as many children as possible have access to books that support reading for pleasure. Every time you buy from the Book Fair, you help to make a difference by supporting literacy in your child's setting. Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.
